Noise Ordinance- Admin Griffin presented the board with a sample noise ordinance that could be customized to what would best fit our town. Chief Higgerson was brought up to share his opinion on the ordinance and he felt it could be enforced much easier than our current ordinance. All officers have tape on them to measure the distance from the noise in the case of a loud vehicle. It was also brought up that the council should consider putting a part in the ordinance about exhaust. Council agreed to go forward with the ordinance to control vehicle noise.

D. Resolutions(s)

A RESOLUTION AUTHORIZING THE MAYOR TO SIGN A CONTRACT FOR THE SALE OF REAL ESTATE TO BEN AND AMBER EAKENS IN THE AMONT OF \$159,000.

Harvey Graham was brought forward and discussed the houses from a realtor perspective. He stated 2 years ago when the housing project was started, he was selling houses before they were built. Interest is now up to 7-7.5% making it harder to sell. The council discussed that selling two meant they were likely to become rent houses which was not their original intent. They discussed their opinions in great length. It was decided to sell these 2 per the contract and drop the price on the remaining houses to \$80,000 in attempt to sell faster.

Motion: Alderman Cravens made a motion and Alderman Riley seconded. All Aldermen present voted "Aye." The vote was unanimous **MOTION PASSED.**
