Music on the Mississippi is in less than 2 weeks.

We expect to hear about the electrical grant here in the next few months.

#### **F. Other business**

Alderman Broughton brought up a question about the way we have been doing trash clean up weeks this year. In previous years, the city had done a free door to door pickup, but this year opted for multiple clean up weeks that required citizens to bring their bulk items to the dumpsters provided by the city. Alderman Broughton feels city clean up needs to go back to door-to-door pickup. Other Alderman spoke up with citizen complaints and opinions on the matter. The cleanup was originally changed to give more chances per year for citizens to clean out bulk items for free, to help the Municipal Light and Power budget and keep the lines between City of New Madrid and Municipal Light and Power separate since the city street crew does the pickup and trash is a utility. Admin Griffin expressed that it was the board's choice what they felt was best for the citizens.

**MOTION:** Alderman Lawfield made a motion and Alderman Broughton seconded to have one free door to door pick up again next year and research doing a second clean up to charge by the load to offset the cost. All other Alderman present voted "Aye." **MOTION PASSED.**

#### **G. Adjourn**

With no further business Alderman Chism made a motion to adjourn, Alderman Courtois seconded. Meeting adjourned.
